

**South Side Local Development Company
Flower Basket Fund**

The South Side Local Development Company will be coordinating a neighborhood-wide installation of hanging flower baskets for the spring-early fall months of 2008. The baskets will be prepared by the Western Pennsylvania Conservancy and maintained throughout seasons. Each 14” basket will contain both sun and shade tolerant plant varieties to ensure beauty in every location.

The Flower Basket Fund is part of a comprehensive South Side Clean & Safe campaign and will be used to secure additional funding from the Urban Redevelopment Authority. Your contribution will help leverage \$30,000 to be used for ongoing street level clean up and improvements such as: litter removal, weeding, graffiti removal, and winter maintenance.

Each sponsor will receive recognition in the South Side Local Development newsletter as well as on its website. Additional methods of recognition are being investigated and will be announced in early 2008.

If you have any further questions regarding this program, please contact Geof Comings, Business Development Manager, at 412-481-0651 x. 15 or geof@southsidepgh.com.
